WHO'S DOING WHAT, WHERE AND HOW...

**WHAT:** Jatali's 6th birthday  
**WHERE:** Hugo's Skyybar II  
**WHEN:** Thursday 8 March  
**WHO:** Eastern Suburbs cool crowd

When glammers from the Eastern Suburbs come out to play you know you're in for one rocking party and the celebration bash for Jatali's 6th birthday was no exception. Pouring rain didn't stop anyone from turning up to Hugo's new Skyybar II to toast six years of the hip Bondi boutique, and its stunning owner Tali Jatali who rolled up with her entourage in a stretch Hummer. Drinks flowed from start to finish and the more people filed into the bar, the more the cocktails circled. Luckily for those who showed up with an empty stomach, the party didn't scrimp on Hugo's famous pizzas. Once cocktails kicked in and inhibitions were lost guests were dancing until it was time to drag their stilettoed feet home.
