TALI JITALI 6TH BIRTHDAY

Hugo's Sky Bar II, King's Cross

If party goers at Hugo's Sky Bar II on Thursday night are to be believed, arriving to a soiree in a Hummer is the new black.

While guests at the party turned up to celebrate Tali Blumenfeld's Bondi clothing store's sixth birthday, the host chose to arrive with 14 of her nearest and dearest in an Arnold Schwarzenegger-style stretch Hummer limousine.

With a dress that left little to the imagination for the Arabian themed party, Blumenfeld probably didn't come close to enjoying the famous Hugo's pizzas that were on offer to the other 400 invited guests, who also guzzled the colourful cocktails with vigour.
