Only if you mix in the swankiest circles would you be at (and need to be seen at) Jatali's 6th Birthday at Hugo's. Brightly Coloured Glams, including the vivacious Tali herself, splashed out of Hummerzines (the most fashionable of limo's), over red carpet and up to the Skyy bar to mix with the rest of Sydney's fashionistas.

Winter is sure to be a cold one...for the ladies: with hem lines raised in favour of flowing tops and capes in beautiful pale shades at the close of Melbourne's L'Oreal Fashion Week. Check out your [Wayne Cooper](#), [Lisa Ho](#) faves...

Garage to V Finals busted up the roller-doors at Spectrum last week: the whimsically complex sounds of the instrument-swapping [Seabellies](#) taking out the NSW finals to open V Fest. Wallspace, Hancock Basement and The Mania formed the other highly competitive finalists and a window into the wealth of talented up and coming bands across the state.

WIN TICKETS TO V FESTIVAL : we have 2 tickets up for grabs this week! Get your body at the gate! [CLICK HERE](#) to enter.

And now for a 2Threads note on safety: check out [pimpourads.com](#) where young drivers can help design ads to make our roads safer, get famous and even win a Toyota Yaris!
